At the conclusion of this presentation, the participants will be able to:

- 1. Implement one technologic learning application to enhance interactive online and in-person teaching.
- 2. Identify at least two strategies to engage learners in an online teaching session.

Why do we care about interactivity?

Engagement Applications

- Mentimeter
- Zoom Polls
- Poll Everywhere
- Kahoot
- Quizlet
- <https://dme.childrenshospital.org/digital-learning-lab/>

What other applications have you used, as an instructor or participant?

Interactivity Considerations

- Audience size
- Anonymous or Identifiable
- Embedded vs Extraneous
- Free vs subscription

In-person AND Zoom?

- Options for a second camera
 - call in to the zoom from your smartphone
 - a USB webcam
 - turn your smartphone into a webcam using EpocCam
- Make sure you practice and test out your technology
