## Pediatric Emergency Medicine Global Health Fellowship Supplemental Application Form

Thank you for your interest in the Pediatric Emergency Medicine Global Health Fellowship at Boston Children's Hospital and Harvard Medical School. You will find information about our program, including this application form, on our website.

*All fellowship candidates must be American Board of Pediatrics or American Board of Emergency Medicine board certified or board eligible before the July 1, 2022 fellowship start date. This generally means that fellows will have completed a residency in Pediatrics in the US or Canada. We regret that we cannot accept applications from candidates who do not meet this criterion.*

All application materials below must be received in full before the application deadline of **Friday, September 3rd 2021 at 12:00pm ET.**

Please submit the following items by email to the Boston Children's Global Health Program Manager (Ms. Carolyn Baer) at [globalhealth@childrens.harvard.edu](mailto:globalhealth@childrens.harvard.edu)

1. This application form
2. CV (see last page)
3. Personal statement specific to a career in PEM global health (see last page)
4. Please have one recommendation letter specifically related to your previous global health work sent directly from the recommender by email to:

## CURRICULUM VITAE

Send your CV as a separate file attached with your submission. Be sure to include awards, honors, and publications in your CV. List research, work, volunteer, leadership roles and significant international / global health travel experiences with dates (month and year) and nature of your involvement.

## PERSONAL STATEMENT

Include with your submission a file with your personal statement specific to a fellowship in pediatric emergency medicine global health. If your personal statement in ERAS is focused on global health you can use the same personal statement. This supplementary application allows applicants to submit a separate global health focused personal statement. Include your name at the top of the page. Please limit your personal statement to **one single-spaced page**. In drafting your personal statement, consider the following:

1. What parts of international/global health pediatric emergency medicine interest you and why?
2. Describe any research projects you would like to complete during your fellowship or existing partnerships you'd like to work with.
3. In what type of setting do you see yourself working after your integrated fellowship or how do you plan to integrate global health into your PEM career?"
