

**Boston Children's Hospital  
Lease Guaranty Program Overview  
For Residents & Fellows**

Purpose: To ease the burden of high housing costs in Boston for residents (including interns), and fellows.

How the Program Works: The Landlord agrees to accept no more than \$200 deposit from the resident/fellow. In turn, the resident/fellow authorizes Boston Children's Hospital to deduct any fees (lesser of up to two months' rent or \$10,000) from the resident/fellow's paycheck should the resident/fellow fail to reimburse the landlord for costs exceeding the \$200 deposit. Reasons for costs may include breaking the lease, damages to the apartment, etc.

Eligibility: Residents/Fellows who are salaried through BCH
