Academy Community Values Statement

We ask that all members, facilitators, directors and/or any individuals associated with the Academy abide by the following Community Values:

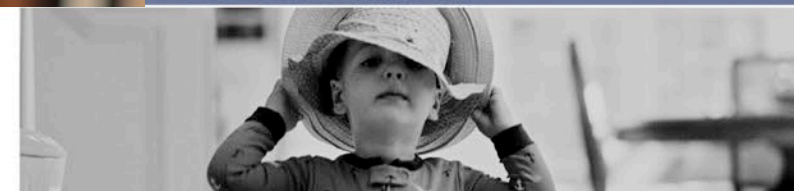

- **Respect** for the rights, differences, and dignity of others
- **Honesty** and **integrity** in dealing with all members of the community
- **Accountability** for personal behavior
- **Active participation** and shared learning
- Expression of **feedback** in **actionable, respectful** terms

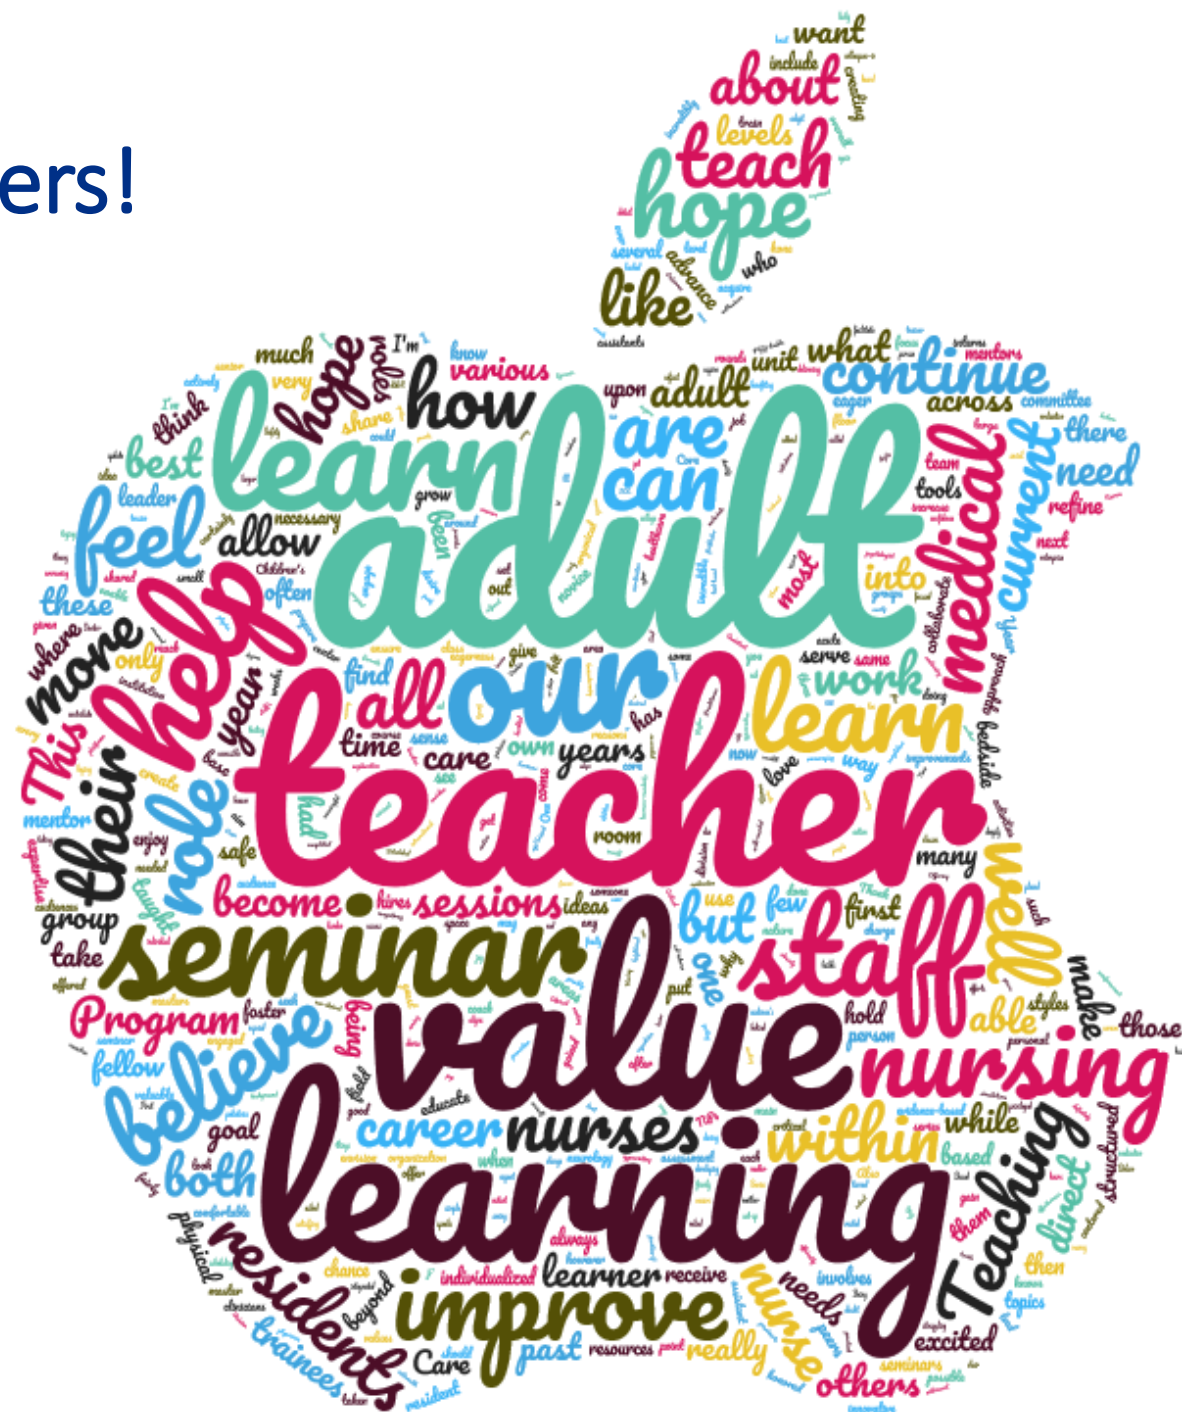

Basic Assumption

Everyone participating in any Academy offering is intelligent, capable, cares about doing their best, and is here to learn and grow.
