Boston Children's Hospital Lease Guaranty Program Overview For Residents & Clinical and Research Fellows

<u>Purpose:</u> To ease the burden of high housing costs in Boston for Residents (including Interns), and Fellows.

<u>How the Program Works:</u> The Landlord agrees to accept no more than \$200 good faith deposit at the time of application from the Resident/Fellow, which is applied to the first month's rent. In turn, the Resident/Fellow authorizes Boston Children's Hospital to deduct any fees (lesser of up to two months' rent <u>or</u> \$10,000) from the Resident/Fellow's paycheck should the Resident/Fellow fail to reimburse the landlord for costs. Reasons for costs may include breaking the lease, damages to the apartment, etc.

Eligibility: Residents, Clinical and Research Fellows who are salaried through BCH.

Lease Guaranty Procedures:

- 1) Resident/Fellow requests information either through Program Director or HRHub@childrens.harvard.edu.
- 2) HR Service Center provides required documents to Employee.

Lease Guaranty Program Documents Include:

- Lease Guaranty Program Overview for Residents and Fellows
- Lease Guaranty Procedure summary of required procedures, to be signed by Resident/Fellow to agree to the terms and conditions
