

The Benefits of Becoming a BCH Academy Scholar Member

As a BCH Academy Scholar Member, you will join an supportive interprofessional community dedicated to educational innovation and scholarship.

Vibrant Community

Join a community committed to project development, scholarship, and meaningful collaboration.

Expert Guidance

Receive guidance from experienced educators to help determine practical solutions and shape your project.

All Experience Levels Welcome

Access the support and resources you need to succeed at every stage of your project—whether you're launching a new idea or enhancing an existing one.

Experienced scholar group facilitators foster a supportive, peer-driven environment where members help each other advance their educational initiatives every step of the way.

Join for one year to try it out, or stay on as long as you wish.
