

Internship Admissions, Support and Initial Placement Data

Date program tables are updated: July 23, 2025

INTERNSHIP PROGRAM ADMISSIONS

Briefly describe in narrative form important information to assist potential applicants in assessing their likely fit with your program. This description must be consistent with the programs policies on intern selection and practicum and academic preparation requirements:

The successful applicant will be from a clinical, counseling or school psychology doctoral program that is accredited by the Commission on Accreditation, American or Canadian Psychological Association, or the Psychological Clinical Science Accreditation System. Candidates are expected to have at least three years of doctoral education training, at least one year of practicum placement that is specifically focused on child/adolescent mental health services, and coursework in health service providership in child/adolescent family psychology. We are an equal opportunity employer and all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, national origin, disability status, protected veteran status, gender identity, sexual orientation, pregnancy and pregnancy-related conditions or any other characteristic protected by law.

Does the program require that applicants have received a minimum number of hours of the following at time of application? If yes, indicate how many:		
Total Direct Contact Intervention Hours	YES	200 Hours
Total Direct Contact Assessment Hours	YES	100 Hours
Describe any other required minimum criteria used to screen applicants: <i>Practicum training experiences that were completed in a hospital, community health and/or community mental health center are preferred.</i>		

FINANCIAL & OTHER BENEFIT SUPPORT FOR UPCOMING TRAINING YEAR* (AY 25.26)

Annual Salary/Stipend for full-time Interns	\$48,707
Program provides access to medical insurance, if yes:	YES
