Re: House Staff Salaries for Academic Year 2027

The House Staff Salaries for Academic Year 2027, which starts 7/1/2026, have been set. Salaries have increased 4.25%. These salaries were approved by GMEC on 2/12/2026 and the Medical Staff Executive Committee on 3/10/2026. The housing stipend for BCH-employed residents and clinical fellows in accredited programs is in addition to the listed salary.
